

Yard Waste Collection Guidelines

- Collected weekly
- Contractor-approved container with decal (yard waste decals available at City Hall), biodegradable paper bags or bundles, or 95-gallon Meridian Waste rented container.
- Materials Accepted: Leaves, grass, limbs and branches (bundled) less than 4' in length or 6" in diameter.
- Weight Limit: 50 lb. per can, bag or bundle.
- Maximum combined ten (10) bags (biodegradable paper), bundles (tie with natural fiber twine), carts or containers, per week, no more than 50 lb. each. Bundled stacks of limbs and brush must be less than 18" in diameter and 4' in length.
- Carts available for \$5.00 per month for each rented cart.

- To properly affix your “Yard Waste Only” decals, place one on each side of the container, as well as one on the lid as directed in the illustration above.

Contractor Approved Yard Waste Container Styles

City of Shrewsbury Recycle Carts can also be repurposed and used for yard Waste.

Yard Waste decals available at City Hall

Smooth interior bodies allow for safe, efficient obstruction free dumping.

Not Acceptable Yard Waste Container Styles

- Containers 1,2,3 & 5 are highly susceptible to damage while being emptied, as well as create a higher risk of back and abdominal injury to the driver/helper while dislodging the material stuck inside.
- Container 4 poses a higher risk of injury for the driver/helper due to the size, weight, and configuration.
- Container 5 poses a higher injury risk for the driver/helper due to potential cuts caused by damaged metal.

*****THROUGH OCTOBER 31, 2023 AND WHILE SUPPLIES LAST*****

For residents that do not have a contractor approved cart, Meridian Waste can make available a 35-gallon yard waste cart at no additional monthly rental fee. \$10 delivery charge will apply.
