

FOR IMMEDIATE RELEASE

## Smiles Abound at Meridian Waste's Shotwell Environmental Park's Summer Splash Bash

Raleigh, N.C. – August 5, 2024, Meridian Waste North Carolina LLC, an integrated, non-hazardous solid waste services company, welcomed more than 525 guests from the surrounding areas of Wake and Johnston Counties to the fourth annual Summer Splash Bash on August 3.

Guests enjoyed an inflatable water slide and obstacle course, slip & slide, bubble station and free hot dogs, hamburgers and frozen treats. Hayride landfill and MRF tours were also offered, as well as the signature Meridian Waste Touch-A-Truck display, where attendees were invited to touch the trucks and heavy machinery used in environmental services industry.

“At Meridian Waste, we love what we do, and we thoroughly enjoy sharing our environmental facilities with the greater community with the continuation of Splash Bash for its fourth year in a row,” said Area President Patrick Messinger. “Shotwell Environmental Park is a vital infrastructure asset committed to handling, recycling and disposing of the Raleigh marketplace’s construction and demolition debris (C&D) material in a safe and efficient manner. We will soon be opening our Materials Recovery Facility (MRF) for greater recycling of our C&D materials, and the MRF preview was definitely the highlight of our hayride landfill tours.”

Shotwell Environmental Park is a construction and demolition (C&D) landfill located at 4724 Smithfield Road in Wendell. For more information, visit [MeridianWaste.com/Shotwell](https://MeridianWaste.com/Shotwell) and be sure to check the Meridian Waste Facebook page for our next Charity Pumpkin Patch event at Shotwell Environmental Park in the fall of 2024.
